Payment terms

Our payment terms are strictly net 0-day. We can't revoke a license key once we've issued it, so we can only send your license key or enable your Octopus Cloud subscription after we receive and process your payment.

Credit card

We accept payment via American Express, MasterCard, and Visa. To pay your invoice, please use the secure payment link on your invoice. These payment methods allow immediate license key delivery.

Wire transfer

Invoices can be paid via ACH or wire transfer. Please send a short note or remittance letter to sales@octopus.com so that we know to expect the payment. You can confirm these details with this [verification letter from our bank](#).
